The total dividends paid last year including this dividend has amounted to ₱2.21 Billion. Another round of dividends for the first quarter of 2022 is expected to also be declared this month,” said DDMP REIT Fund Managers, Inc. President Hannah Yulo-Luccini.

“We are glad that DDMP REIT has remained resilient and has stably passed through what people say is a once in a lifetime major global crisis brought by the Covid19 pandemic. We believe that the most important feature of DDMP REIT is that 100% of its leasable space sits on prime commercial titled land that DDMP REIT perpetually owns, as over a long period of time, the land value is expected to surpass the value of the building structures, and in the specific case of DDMP REIT, both the titled land and the buildings are owned by the DDMP REIT shareholders forever because the land is titled, and is not a leasehold,” said DDMP REIT Chairman Edgar Injap Sia II.

“We are confident that each share of DDMP REIT with a current Book Value of ₱2.30 per share is a very solid share to own,” added Mr Sia.

DoubleDragon Tower, the 7th completed office tower in DD Meridian Park complex will be ready to start the turnover to its tenants by June 2022. This asset is expected to soon become part of DDMP REIT Inc. Beside the newly completed DoubleDragon Tower is The Ascott in DD Meridian Park which is currently under construction.
